Appendix 4 Provider scorecard and evidence context

The scorecard contains framework-dependent comparison values. Evidence confidence and coverage are shown separately and are not multiplied into the maturity measures.

Table A4-1 Provider scorecard and evidence context

Provider	Tier	Technical maturity	Market momentum	Accessibility	Enterprise readiness	Strategic relevance
Cirrascale	Silver	3.20	3.50	1.60	3.29	3.33
Firmus	Silver	3.50	4.33	1.20	3.86	3.90

Table A4-2 Evidence and access context

Provider	Evidence confidence	Label	Public-evidence coverage	Researcher access group	Access model
Cirrascale	3.33	Medium	68.8%	No platform access	Sales/request gated
Firmus	3.63	Medium	79.2%	No platform access	Sales/request gated
Gcore	3.70	High	72.9%	Researcher access	Self-service with activation/billing gate
GMO GPU Cloud	3.57	Medium	70.8%	No platform access	Inquiry/contract gated
Lambda	4.13	High	77.1%	Researcher access	Self-service verified, runtime not launched
Scaleway	4.40	High	70.8%	Researcher access	Self-service console verified
TensorWave	3.48	Medium	64.6%	No platform access	Existing-customer only
Together.ai	4.21	High	79.2%	Researcher access	Self-service account with read-only restriction
Voltage Park	3.43	High	68.8%	Researcher access	Self-service console verified
Vultr	4.40	High	79.2%	Researcher access	Self-service with payment-card gate

Bitdeer AI	3.93	High	79.2%	Researcher access	Self-service verified
Core42 / G42	3.93	High	79.2%	Researcher access	Console access with KYC/resource gates
FPT Smart Cloud / FPT AI Factory	3.87	High	72.9%	Researcher access	Self-service with capacity/permission limits
GMI Cloud	3.50	High	81.2%	Researcher access	Self-service verified, runtime not launched
Lightning AI	3.70	High	77.1%	Researcher access	Self-service verified with free workspace
Neysa	3.36	Medium	70.8%	No platform access	Business-domain application gated
Prime Intellect	3.93	High	79.2%	Researcher access	Self-service marketplace verified
Radiant / Ori	4.14	High	77.1%	Researcher access	Self-service control plane verified
Shadeform	3.67	High	77.1%	Researcher access	Self-service marketplace verified
Verda / DataCrunch	4.07	High	81.2%	Researcher access	Self-service console verified
